

SAVE A LIFE – Yours! Get Screened!

WHAT: Championship Hearts Foundation and Seton Medical Center Williamson will offer free screenings for area athletes, ages 14-18, in an effort to identify Hypertrophic Cardiomyopathy (HCM), the leading cause of sudden cardiac death in student athletes. Students participating in athletics, cheerleading, dance, marching band, and other strenuous activities are encouraged to take advantage of this community service.

WHEN: Saturday, April 25
8:00 a.m. to Noon

WHERE: Seton Medical Center Williamson,
201 Seton Parkway
Round Rock, TX 78665
For directions go to seton.net/williamson
(The screening will be held at the Imaging Dept.)

Students must have a signed parental waiver in order to receive the screening. This form can be found at www.championshipheartsfoundation.org and will also be available at the event.

There is no charge for the screening, however a suggested minimum contribution of \$15 is appreciated to help defray some of the costs and also to support the work of the Foundation. Championship Hearts Foundation is a 501(c)(3) nonprofit organization.
